Reasons for Allowance

The following is an examiner's statement of reasons for allowance: all of the references of record which disclose weighing scale equipped fish gaffs with gripping jaws disclose devices where both jaws move toward each other; claim 1 recites a weighing gaff with, *inter alia*, one fixed jaw and one jaw that moves relative to the fixed jaw. There are a few old references that show an arrangement where a gaff has one jaw that moves relative to a fixed jaw, but none of these references have a built-in weighing device and do not appear capable of being modified to include one.

Any comments considered necessary by applicant must be submitted no later than the payment of the issue fee and, to avoid processing delays, should preferably accompany the issue fee. Such submissions should be clearly labeled "Comments on Statement of Reasons for Allowance."
